

Lawrence Livermore National Laboratory

Supply Chain Management Department

15 September 2020

Attention: Interested Offerors

Subject: **Amendment 04**

Reference: RFP B640169

Attachment: revised CTS-2 Draft Statement of Work dated 09-14-20

This letter and its attachment constitute Amendment 04 to RFP B640169.

Amendment 04 is issued to revise Section 5.5.1 'Total Cost of Ownership' in the CTS-2 Draft Statement of Work (SOW). Interested Offerors should discard the preceding draft SOW and use the revised draft SOW (accompanying this Amendment 04) as a basis for proposal preparation.

The revised draft SOW, dated 09-14-20, displays (i.e. changes tracked) changes / edits, which allows Interested Offerors to easily and efficiently identify changes within the context of the draft SOW.

Except for the change addressed above, all other terms and conditions of the RFP remain unchanged.

Sincerely,

Gary M. Ward
Contract Analyst
